

## Notice to UK Branch members: 2021 UK Branch subscriptions

The UK Branch subscription rates effective from 1 January 2021 are shown below and the new rates will apply in each individual case as subscriptions fall due during the year.

Most members (some 90%) are now paying by Direct Debit. This provides the reassurance of knowing that payments are collected at the proper times, and thus that entitlement to all Nautilus International benefits is maintained. For members paying the main rates by Direct Debit there is also the advantage of a discount. All Direct Debits due in December are collected in the early part of the month. In other months members may choose from four dates.

Members uncertain of their membership class, or who wish to change a membership matter, should contact the Membership Services team at [Nautilus House](#).
